## TRU-Infrared™: A Symbol of Char-Broil Setting the New Standard.

A patented, exclusive technology that cooks juicier food with more efficient heat, more control and a better overall experience.

**Even heat distribution - NO FLARE-UPS!**

Nobody likes hot spots or flare-ups. That's why we eliminated them. The special cooking grate at the core of TRU-Infrared™ spreads heat evenly across the grill top. And because it creates a barrier between food and flames, flare-ups are history.

### Special Features:

Unlike traditional grills which cook food from a single, direct heat source, the cylindrical shape of the Pit Barrel and the "Hook-and-Hang" method place the food at the center of the action, heating the meat from all sides at once and producing consistently great-tasting, perfectly cooked food every time.

### PIT BARREL COOKER

Fuel type	Charcoal
Total cooking area	This is a vertical cooker using the "hook and hang" so measuring cooking area is not applicable. How much can you cook at a time: 8 rack of ribs, 4 whole chickens, 2 pork butts or briskets, 4-6 burgers (depending on size) on the grill grate
Cooking material surface	The 8 hooks are stainless steel
Ignition	Charcoal cooker and can be started with a charcoal chimney, lighter fluid or any other charcoal lighting media
Construction	Durable construction with long lasting porcelain finish
Available colors	Black
Ace SKU#	8000678
Grill cover	A custom fit cover with logo is for sale separately. Available through Drop Ship.
Dimensions	32"H x 18.5"D

## LUMP CHARCOAL

Lump charcoal burns hotter and longer than regular charcoal briquettes. It's excellent for smoking, searing or slow cooking meats to perfection. 100% natural lump charcoal is made from a proprietary blend of natural cooking hardwoods that creates a superior barbeque flavor. There are no additives or chemicals to alter the taste of your food. Lump charcoal is easy and quick to light — ready to cook time is about 15 minutes. It also burns clean — less ash for less clean-up!

## ADDS AMAZING FLAVOR TO ANY CHARCOAL GRILL!
