| <input type="checkbox"/> Lighter Fluid for Charcoal | <input type="checkbox"/> Grill Grate Cleaner |
| <input type="checkbox"/> Meat Thermometer | <input type="checkbox"/> Exterior Grill Cleaner |
| <input type="checkbox"/> Grill Mitt | <input type="checkbox"/> Grill Cover |

3 Important Steps

- 1** Choose the right grill for your needs. Our Helpful staff can show you the difference between the sizes, features, materials, and colors of all our grills.
- 2** Consider where your new grill will reside at your residence and plan your accessories accordingly. Using a grill cover in conjunction with some basic cleaning items will help keep your grill looking new longer and prolong the life of the grill inside and out.
- 3** Top off your purchase with some great new accessories. From basic cooking tools like tongs or a spatula to a grill brush for cleaning the cook grates, Ace has everything you need to enjoy that new backyard BBQ. For the adventurous griller try some cedar planks for grilling fish or a pizza stone for a great grilled pizza!
