

KNOW HOW IN NO TIME

DIY Painted Pine Cones From Rust-Oleum

Gather some pine cones and some spray paint and create a colorful décor item for your home.

This easy project can be done quickly and with your own personal touch.

Recommended Materials:

- ☒ **Pine Cones**
- ☒ **Wooden Crate, Holiday Platter or other Holiday Vessel**
- ☒ **Drop Cloth/Newspaper**
- ☒ **10.25-Oz. Rust-Oleum® Glitter Spray Paint**

Step-By-Step:

- #1** Over a drop cloth, spray paint pine cones with different colors and textures according to the directions on the cans.
- #2** For glittered pine cones, use 10.25- Oz. Rust-Oleum® Glitter Spray
- #3** Let pine cones dry for at least 1 hour before handling.
- #4** Arrange pine cones in a wood crate, on decorative platter or another holiday vessel and display.
