Great Lakes Ace Newport Celebrating with an Official Chain Cutting

Newport, KY June 22, 2021 – Brad Baker, Manager of Great Lakes Ace Newport announced today that Great Lakes Ace in Newport will hold a Chain Cutting Ceremony for the new location this Friday June 25, 2021. Mayor Tommy Guidugli Jr. and other city leaders will gather at 10:00 am at the new location 82 Carothers Rd, Newport to make the move to the new location official. Less than one –half – a- mile from the previous location the new store is larger and features a number of expanded departments.

Immediately following the Chain Cutting Ceremony there will be live demonstrations using the latest selection of Milwaukee tools and accessories. The new store features a greatly expanded hand tool, power tool and outdoor power tool department. The live demo will feature the latest feature of the battery powered tools offered by Milwaukee.

Customers who visit the store that day will also be able to sign up to win a 3- piece Milwaukee Pack – Out system and learn about some other instore specials being offered in the tool aisle.

Expansion also means additional employment opportunities! Stop into Great Lakes Ace to discuss those opportunities with Brad Baker or visit the careers page at www.greatlakesace.com.

Great Lakes Ace Hardware began operation in Dearborn, Michigan in 1946 and has a history steeped in the traditional American tale of hard work and reinvention. The company provides local neighborhoods with access to national brands such as Scotts, Benjamin Moore, EGO, Milwaukee, Weber, Traeger, and others, while providing customers with a localized product mix and a friendly neighborhood hardware store experience. It has been part of the Ace Hardware Cooperative since 2014. For more information about Great Lakes Ace Hardware visit www.greatlakesace.com
