

FIND YOUR PERFECT MATCH

*Looking to make a statement or just stay neutral?
Our fun quiz will help you find just the right hue for you!*

1

First things first, I'm looking for

- a. A good color for an overall refresh
- b. The right color for a specific room redo
- c. The perfect color for a special designer look I'm trying to create

2

When it comes to clothing style, my preference is

- a. Casual and comfy — I live in my jeans and loafers
- b. Classic and timeless — black, white and neutrals dominate my closet
- c. Always on trend — my look reflects the latest runway fashion

3

When it comes to painting my home's interior, I would classify myself as

- a. A total rookie — I've never done this before
- b. Intermediate — I've painted before, but I'm no expert
- c. Expert — I know what I want, but I may need a little help finding it

4

I would like my guests to think my home is

- a. A nice, homey place
- b. Comfortable, with a sense of style
- c. Sophisticated and cutting-edge

5

If my friends had to compare my style to a car, what would they pick?

- a. Minivan — practical and safe
- b. Sedan — smart and stylish
- c. Sports car — cool and daring

6

In terms of color selection, I would describe myself as

- a. Simple and safe — I love neutrals and classic colors
- b. Open to some ideas — I don't want to go crazy, but I would be interested in mixing it up a bit
- c. Definitely in the market for something new — I love what I see in magazines and on TV, and would like to try something more inspired

7

Overall, I feel

- a. Anxious — I hope this won't be hard; I really want it to turn out right
- b. Cautiously optimistic — I love thinking about all the possibilities
- c. Excited — let's go!

Based on your answers, you can determine your path to find your perfect hue.
