

# Screen Repair Or Build Services

## DAMAGED OR BROKEN SCREEN

### We Can Help

Property management and facilities professionals have discovered the quality and convenience of ordering their screen repair needs through their neighborhood Great Lakes Ace Hardware.

#### It's easy as 1-2-3

- 1 Contact your local Great Lakes Ace Business Services specialist and let them provide an estimate for materials and labor for your specific screen repair needs. One screen or 100 we can help.
- 2 Drop off your screens at your neighborhood Great Lakes Ace where it is always quick and easy to get in and out.
- 3 Pick up your completed screen repairs at your neighborhood location.

**We are happy to discuss pick up and drop off services for large orders making it easier than ever for you.**

If you prefer to handle your own repairs or have need to stock materials to do your own repairs Great Lakes Ace can work with you to order and deliver the quantities and materials that you need.

#### Here is why our customers tell us they like using our professional Screen repair services:

- Repairs completed by dedicated professionals
- Repairs made with brand name components to match original
- Ability to order custom screens built to your specifications
- Quick Turnaround
- Pick -up and delivery services available for large orders
- Customized pricing that is very competitive
- Drop off and pick up at any location
