

KNOW HOW IN NO TIME

Connecting Your Home With **wion**

Control your lights through the use of your smartphone from anywhere in the world. Energy efficiency also provides a sense of security for your home at the same time providing your home an occupied look.

Tools/Materials Needed:

- WiOn™ Smarthome Outlets
- WiFi Connection
- WiOn™ Smartphone App (Found on iTunes/Android)

Tips:

- 1** Turn off the power to all outlets you will be working on.
- 2** Plug in your WiOn™ switches
- 3** Connect and activate switches to existing wireless router using smartphone app.
- 4** Control you home lighting using the intuitive, up-to-the-minute programmable settings.
